Subject: Cleanup the Willamette, protect our jobs

I believe it is wrong for out-of-state regulators to tell Oregonians we should pay for an expensive cleanup.

If the EPA approves a big, expensive cleanup, I am worried that it will lead to higher costs for small companies and Portlanders. We have utilities who will pay part of the cost and I'm worried a big cleanup bill would lead to higher utility bills.

Our harbor is a big part of our economy. Please pick a plan that is good for our workers.

Sincerely,
